2. Driveways. Each development shall be served by an adequate driveway.

a. The Board may, in certain circumstances, allow additional driveways as a condition of approval where the access is shared or the project has frontage on two separate streets. The aforesaid notwithstanding, larger developments shall provide at least two (2) means of access to the public roadway system of the Town, one (1) of which may be restricted to emergency vehicle use.

b. All driveways shall be designed to afford adequate sight distance to pedestrians, bicyclists, and motorists exiting to public ways. Improvements may be required on the public way for vehicular turning movements in or out of the site and safe pedestrian access to adjoining sidewalks, paths, walking trails or bikeways.

c. Driveways shall comply with the pavement and base thicknesses required by the Planning Board's "Rules and Regulations Governing the Subdivision of Land" for "Residential Streets." Vertical faced precast concrete curb or vertical faced granite curb shall be provided along the edge of pavement.
