3. Illumination. No sign shall be illuminated except in accordance with the following restrictions:

- a. No sign shall contain any moving, flashing or animated lights, except such portions of a sign as consist solely of indicators of time and temperature.
- b. No more than four (4) colors including white, shall be used. No red or green lights shall be used if, in the opinion of the Chief of Police, such colors would create a driving hazard.
- c. Exposed gaseous tube-type signs shall not exceed ten (10) square feet in area; signs illuminated by reflected or silhouette-type lighting are not subject to this limitation.
- d. No sign shall be illuminated between the hours of eleven (11) o'clock P.M. and seven (7) o'clock A.M., unless the business establishment or office is open to the public.
- e. No illumination shall be permitted which casts glare onto any portion of any street, or residential premises.
- f. The provisions of this Section shall apply not only to exterior signs, but also to interior signs which are designed or placed to show through windows or doors of buildings.
