Section 5.54 of this by-law and every five (5) years thereafter. For existing monopole towers, certification shall be submitted within sixty (60) days of the effective date of this by-law and then every five (5) years thereafter. For new lattice or guyed towers, such certification shall be submitted with an application pursuant to Section 7.5.4 and every two (2) years thereafter. For existing lattice or guyed towers, certification shall be submitted within sixty (60) days of the effective date of this by-law and then every two (2) years thereafter. The tower owner may be required by the town to submit more frequent certifications should there be reason to believe that the structural and electrical integrity of the tower is jeopardized. The town or its agents shall have authority to enter onto the property upon which a Tower is located, between the inspections and certifications required above, to inspect the Tower for the purpose of determining whether it complies with the state building code and all other construction standards provided by federal state and local law. The town reserves the right to conduct such inspections at any time, upon reasonable notice to the tower owner. All expenses related to such inspections by the town shall be borne by the tower owner.
